

Sunday School is the ministry of the church that connects local believers with the Word of God and the People of God. Through this ministry, we pray that you will grow in your knowledge of the Word and in your relationship with God's local church.

"Broken & Building—Becoming a Spiritual Leader"

Mixed Class

Room 202: Cal Jones

What does it take to become a spiritual leader? Is there a course we can take? Is there a degree we can get? Are there certain requirements we need to meet? A checklist to check off? Nehemiah teaches us that leadership begins not with a course or a degree but with brokenness. He humbly recognized that he fell short of God's standard for His people and confessed his sin to God. That humble act opened the way for Nehemiah to become God's leader in post-exilic Jerusalem. Nehemiah is a model of committed, God-honoring leadership and his book contains many useful lessons for today.

"Worshipper!"

Mixed Class

Room 203: John Murphy

The terms worship and praise are mentioned more than 430 times in the Bible. While often times we associate these terms with Psalms, we are first introduced to the idea of worship in the book of Genesis and given snapshots of heavenly worship in Revelations. Between these, we see praise and worship practiced throughout the Bible. Join us this quarter as we take a Biblical approach to worship and how we are called to be participating today.

"Be: Basic Ladies Only"

Room 204: Katie Murphy

We will unfold the story of our matchless Savior- His mission, miracles, and message. Allow the Biblical truth of Jesus to confront your doubt and equip you to share the gospel with others.

"Be a Man—Like Jesus"

Men Only

Room 206: Chris Redies

Jesus is often depicted by society as soft and mild, not how He truly is. We will examine Jesus as the Bible portrays Him—as One with power, authority and strength under control. This study is intended to challenge men to be more like Jesus, the real Man.
