## Adult Bible Studies

### **"Trusting Our Faithful God"**

#### **Mixed Class**

*Room 202: Cal Jones*

*Faithfulness* is a good word to summarize the book of Joshua. God proved beyond a doubt to His people that He would be faithful to chase the Canaanites from the Promised Land as they walked in His ways and put their faith in Him. This study follows Joshua and the Israelites as they learn to trust God. God is no less faithful today than He was with the Israelites. He is still worthy of our trust and commitment. We should be victorious in our own lives as we learn to trust our faithful God with all our hearts.

### **"Joseph: Facing Life's Challenges"**

#### **Men Only**

*Room 205 Justin Almond*

In the character of Joseph, son of Isaac, we find a man who found himself facing the call of God and life's struggles at the same time. Temptations outside and in, Joseph can show us how to handle what God calls us to do in everyday life.

### **"For Women Only" Women Only**

*Room 207: Kristen Johnson & Hillary Pearson*

God created men and women differently; on purpose and for a purpose. Sometimes our differences can create a lack of understanding and even conflict. This is something that can generally be avoided if we know how we are wired to think and respond and can learn to respect those differences. This is a valuable, eye-opening study for any woman who has men in her life: whether it's a husband, future husband, son, brother, boss or friend.

### **"One Family Under God"**

#### **Mixed Class**

*Room 203 John & Katie Murphy*

Using God's Word as a roadmap, we will seek to understand the concept and importance of family as God intended and how the state of the family directly impacts our nation.

## **"Raised to Life: Miracles & the Resurrection of Jesus"**

### **Mixed Class**

*Room 206: Adam Davis*

Without the resurrection of Jesus, there is no Christianity. As the apostle Paul says, "If Christ has not been raised, then we are of all people most to be pitied...but {He} has been raised." In this class, we will study how to make a successful evidence-based case for the resurrection of Jesus as a historical event. In the process, we will look closely at miracles (what they are, how to identify them, etc.). We will focus on practical ways to address important questions from our youth, friends, family, and those who wrestle with doubt.

### **"Be Doers of the Word"**

#### **Mixed Class**

*Room 204: Mike Vannicolo*

The main purpose for owning a mirror is for self-examination. As we look into the mirror of God's Word we see ourselves as we really are. If we are to use God's mirror profitably we must gaze into it carefully with serious intent. No quick glance will do. It is not enough to hear the Word, we must do it. A study of Biblical truths that challenge us to be active instead of passive.

### **"Be-Available"**

#### **Women Only**

*Room 208: Loyah V. & Laddie D.*

Picture a world where people live according to their own personal standards, where believers can't seem to agree, and where people are trapped in every kind of sin. Sound familiar? While this list hits close to home today, these issues are found in the book of Judges. It's during times like these when God is searching for those who are ready, willing and available to confront the enemy. Are you willing to accept the challenge?
