

Equipping 101 is the ministry of the church that connects local believers with the Word of God and the people of God in Sunday morning Bible classes. Through these classes we pray that you will grow in your knowledge of the Word and in your relationship with God's local church.

“BIBLICAL PRINCIPLES FOR WOMEN”

Women’s Class — Room 207

Kristen Johnson

Justice, empathy, autonomy, gender roles... our culture has turned upside down in the last 100 years; especially in just the last decade. But what we hear in the news, social media, from “celebrities” and even those we may have thought to be believers is often a wild distortion of the truth. The world has a lot to say about cultural issues, but the Bible remains the authority. Understanding what God has to say about these issues will strengthen our faith and prepare us to stand strong as beacons of truth for our families and the world around us.

“GALATIANS: THE WONDROUS GRACE OF GOD”

Men’s Class — Room 206

Jim Duryee

As Paul continues to spread the gospel, false teachers begin to undermine the central doctrine of Christianity and teach that faith in Christ is not enough for salvation. In an earnest attempt to salvage the integrity of the gospel, Paul pens this urgent letter to the churches in Asia Minor—a book that will go on to encourage hundreds of generations of Christians to remain steadfast in their faith. As Paul contrasts grace and law, faith and works, he defends the theological and practical implications of Christianity and encourages believers—then and now—to live a holy life that bears much fruit.

“SEASONS OF LIFE”

“USING SCRIPTURE & PRAYER TO NAVIGATE ADVERSITY”

Mixed Class, All Ages — Room 204

Mike & Tricia Hoppers

Adversity, hardships, the Struggle Bus, trials, etc....everyone has or will go through them! How can and does God use these hard times to make us better and mold us to be more spiritually firm? We will look at different instances throughout Scripture that deal with adversity and how to live out God’s purpose and glorify Him through it.

“THE BIBLE RECAP”

Mixed Class, All Ages — Room 203

Chris & Kelly Redies / Emil & Michele Edwards

Join us as we read through the Bible in a year! In a world that often misunderstands or outright mocks God, it’s important for Christians to have a worldview firmly rooted in the full counsel of God’s word. Yet, many Christians have never read the whole Bible. Reading the Bible can seem like a daunting task. It’s easy to get intimidated by Ezekiel or bored by Leviticus. Yet, God has a purpose for each jot and tittle of His word; He has revealed Himself, His love, His character and His plan for salvation through it all. With the help of the Bible Recap Podcast by Taraleigh Cobble, we want to walk with you as you read the entire Bible chronologically in 2025 for the first time (or the fifty-first time)!
