

Sunday School is the ministry of the church that connects local believers with the Word of God and the People of God. Through this ministry, we pray that you will grow in your knowledge of the Word and in your relationship with God's local church.

## Adult Bible Studies

### **"In Sovereign Hands"**

#### **Mixed Class**

*Room 202: Cal Jones*

We will continue our study of the Old Testament with the books of Ezra and Esther. On occasion, each of us has questioned God asking where is God and what is He up to" when everything around us seems an unsettling presence. We may even doubt His providential care or fail to understand His comforting presence. At such times, we need to hear the message of the books of Ezra and Esther: God is in control!! This truth will encourage our hearts, instruct our minds and develop our faith. We will learn as Israel learned that God is present even when we think He isn't. He hasn't abandoned us or forgotten us. He does care and He knows what He is doing.

### **"America: Turning a Nation to God"**

#### **Mixed Class**

*Room 203: John Murphy*

The World believes religion ought to be so private that it doesn't even show up in public, let alone have any influence there. Join us as we study about what happens when we allow that lie to go unchallenged and what it will take to turn our nation back to God.

### **"What is Heaven Really Like"**

#### **Mixed Class**

*Room 204: Danny Decker*

The NKJV of the Bible uses the word heaven 532 times in 502 different verses. The Hebrew word usually translated "heaven," *shamayim* is a plural noun form that literally means "the heights." The Greek word translated "heaven" is *ouranos* (the same word that inspired the name of the planet Uranus). It refers to that which is raised up or lofty. Both *shamayim* and *ouranos* are used variously in Scripture to refer to three different places. If you want to learn what the Bible has to say about heaven then this class is for you.

### **"Tackling Transitions"**

#### **Mixed Class**

*Room 205: Troy & Liauna Metscher*

A Greek philosopher once said, "The only thing constant in life is change." Are you struggling to accept change or the next transition in your life? The sovereign God of the universe holds our tomorrow and He never changes. Join us as we look at biblical examples of how to thrive in our ever changing world.

### **"Be: Basic**

#### **Ladies Only**

*Room 208: Laddie Dyke & Terri Shaddox*

The world has become a confusing place. Every day we are confronted with cloudy moral issues that once seemed clear. When did the simple things get so complicated? But instead of wondering how we got here, maybe we should revisit how we got started. There's no better place to start than in the beginning of God's Word, the book of Genesis.
